EDITORS' MESSAGE

Another year has come to an end and so with it comes the end of a decade. Yet, endings signify new beginnings. Those of us in the graduating class will be stepping into our futures that we have been preparing for during our years here. The undergraduates who remain in Taunton High School will usher in the new decade and with it the changes it will bring.

Our high school years are a period of change. With the changes of the times, we notice changes in ourselves. As the years pass, we are transformed from children into young adults. This change is brought about in part by the changes that occur in the world in which we live.

As you look through these pages you will realize this is not just a book. Rather, it is the preservation of memories captured in photographs and with words. More importantly though, it contains the images of the people in our lives. These people, who reflect the world around us, are truly the *signs of the times*.

Best wishes to the students and staff of Taunton High School as you strive to attain your personal goals and dreams, both now and in the future.

Sincerely,
The Editors
Erin Deveney
Rebecca Dexter
and
Paula E. Serabian

DEDICATION

The definition of an outstanding teacher should describe someone who not only cares about the education that students receive, but also is concerned about those students on a personal level. We find this to be an appropriate description of Mrs. Pauline Pratt. Mrs. Pratt deserves to be recognized for her conscious efforts to fulfill the responsibility of being a concerned friend, in addition to those of a teacher.

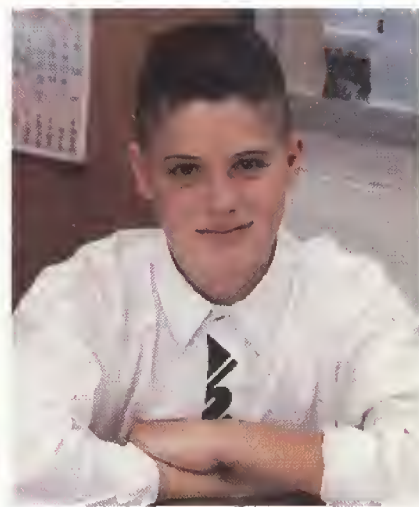

Mrs. Pratt's recipe for her classes is a blend of teaching and caring. She instills within her students the valuable knowledge that will be useful in their lives after they have left the security of her classroom. She also cares about the development of her students into well-rounded young adults. In this way, Mrs. Pratt has left a profound impact on us, as both students and individuals.

We, the class of 1990, dedicate this yearbook to you, Mrs. Pratt, in thanks for your continuous support and the love which you have shown us over the years. We will always remember the lessons we have learned, but more importantly, the woman who taught them to us.

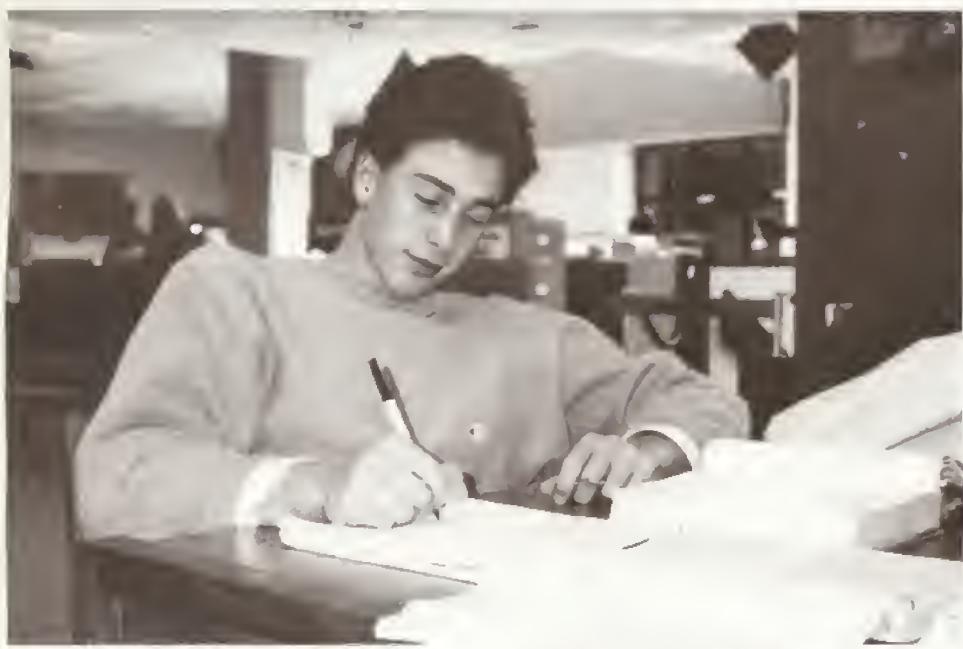

CANDIDS

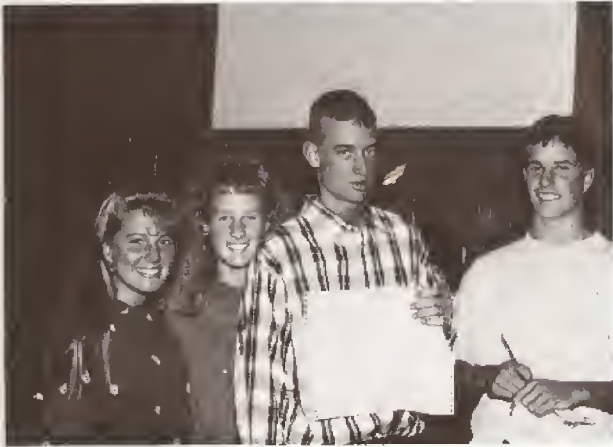

We enter high school in the summer
of our youth,
Basking in the days of blazing sun
and childhood glory.

As the days of these years quickly pass,
The sun shines less brightly and
the wind blows colder.
The leaves drift from the trees, and
we fall from our simplistic innocence.

For a brief moment we are chilled by the realization
 of not having all the answers,
 Of not being pointed in the right direction,
 Of not knowing what the future holds.

Yet, there is always a need
for an end

To the unquestioning innocence
of youth.

Because without it there would be
no changes or new beginnings.

Suddenly, from behind
the dark clouds,

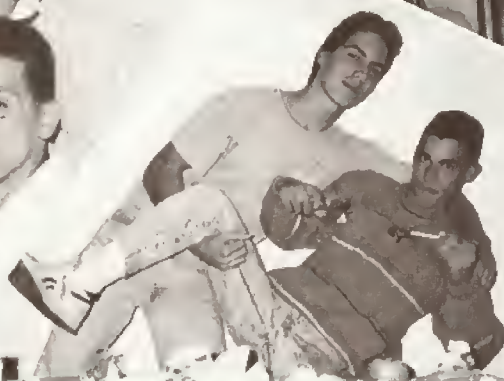

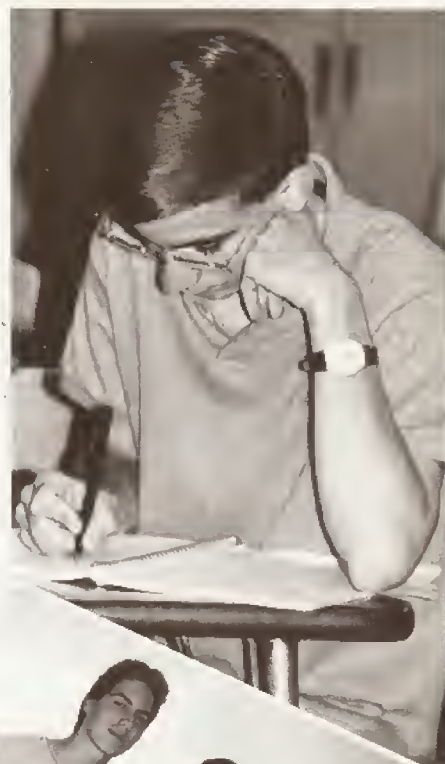

A ray of sun appears
and with it there is hope.

We emerge from our memories
to find ourselves

- not the children of yesterday —

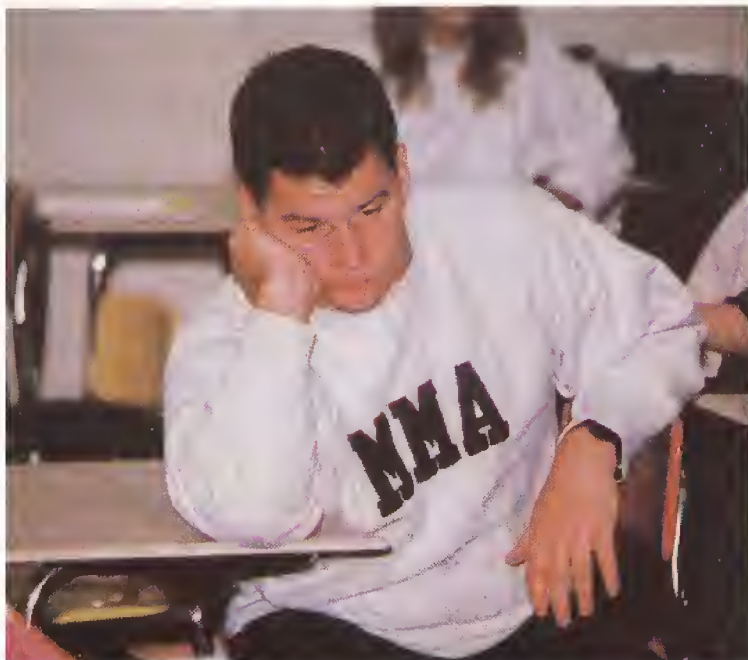

But the blossoming adults
of tomorrow.

"Live for today,
Dream of tomorrow
Learn from yesterday."

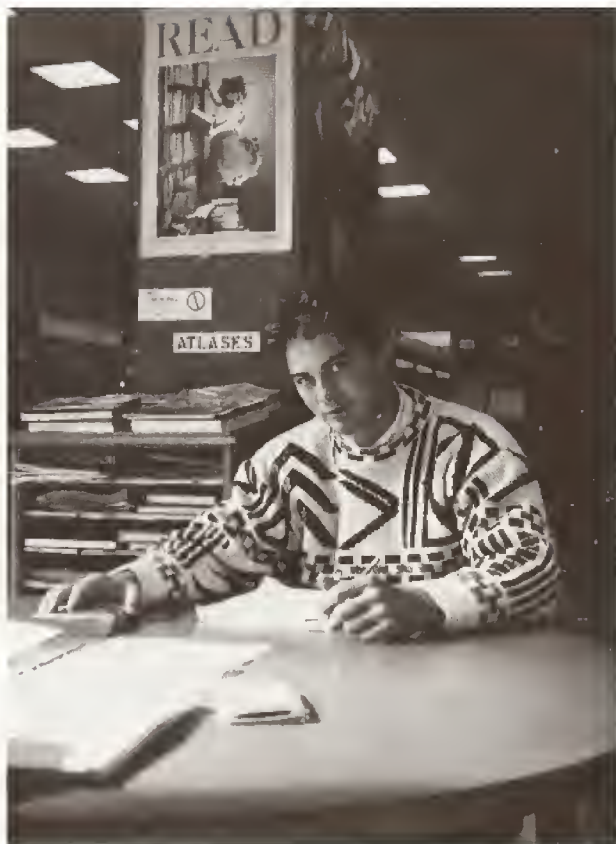

-Anonymous

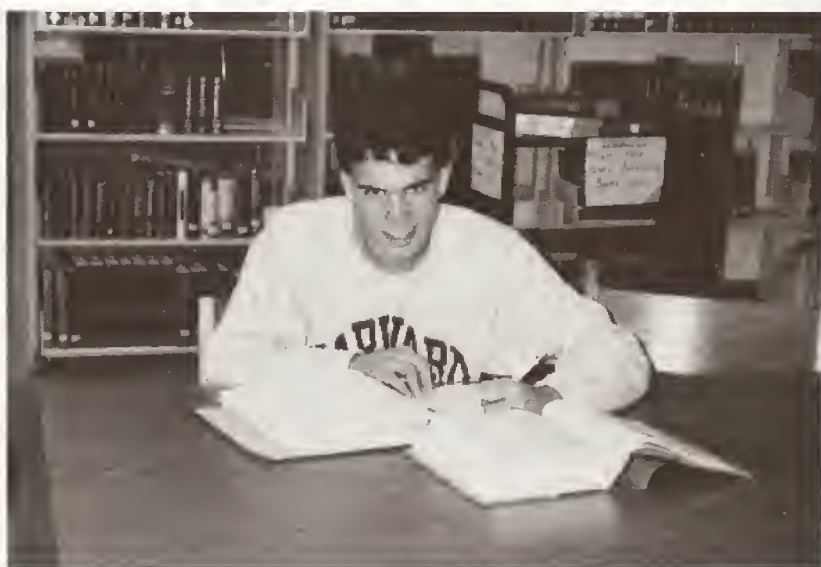

"Yesterday's dearest moments
are today's dearest memories."

-W.R.Lawrence

"There are places I remember
All my life, though some have changed.
Some forever not for better,
Some have gone and some remain.
All these places have their moments
With lovers and friends I still can recall.
Some are dead and some are living,
In my life I've loved them all."

The Beatles

"Time it was,
And what a time it was,
It was . . .
A time of innocence,
A time of confidences.
Long ago . . . it must be . . .
I have a photograph.
Preserve your memories;
They're all that's left you."

-Simon and Garfunkel

MEMORIAL

Peter P. George

Sincerest congratulations to the Members of the Graduating Class of 1990. I wish each of you success, as you continue your education and/or enter the world of work.

I urge each of you to adopt an "I Think I Can Attitude." Best of luck.

Assistant Headmaster

This is a significant time. It is a time of endings, the end of a decade and the end of high school. This is a special time. It is a time of beginnings, the beginning of a new segment of your life. You are enthusiastic and full of hope. You are shored up by your accomplishments and armed with your knowledge. You are ready to begin to meet the challenges that lie ahead. Congratulations at this special time.

"All I Ever Really Needed To Know"
by Robert Fulghum

Most of what I really need to know about how to live, what to do, and how to be, I learned in kindergarten. Wisdom was not at the top of the college mountain, but there in the sandbox at nursery school.

These are things I learned: Share everything. Play fair. Don't hit people. Put things back where you found them. Clean up your own mess. Don't take things that aren't yours. Say you're sorry when you hurt somebody. Wash your hands before you eat. Flush. Warm cookies and cold milk are good for you. Live a balanced life. Learn some and think some and draw and paint and sing and dance and play and work some every day.

Take a nap every afternoon. When you go out into the world, watch for traffic, hold hands, and stick together. Be aware of wonder. Remember the little seed in the plastic cup. The roots go down and the plant goes up and nobody really knows how or why, but we are all like that.

Goldfish and hamsters and white mice and even the little seeds in the plastic cup — they all die. So do we.

And then remember the book about Dick and Jane and the first word you learned, the biggest word of all: LOOK. Everything you need to know is in there somewhere. The Golden Rule and love and basic sanitation. Ecology and politics and sane living.

Think of what a better world it would be if we all — the whole world — had cookies and milk about 3 o'clock every afternoon and then lay down with our blankets for a nap. Or if we had a basic policy in our nation to clean up our own messes. And it is still true: No matter how old you are, when you go out into the world, it is best to hold hands and stick together.

IN THE YEAR 2000...

- ...I hope to be successful with my own business and to be very happy and proud of my new family.
- ...I hope I will be around to see the improvement in humanity and the environment.
- ...there will be a world-wide invasion by giant man-eating spiders and the human race will finally vanish from the face of the planet. ...except for Dan Quayle.
- ...M.Y. will realize what he missed out on with J.C.
- ...D.C. will hopefully be married with kids.
- ...D.K. will still be getting caught in closed doors.
- ...D.R., E.M., J.S., A.Y., D.G., P.P., and J.T. will party and be friends forever.
- ...I hope 100% of the graduates of 1990 have already succeeded in what they set out to do or are very close to their goals or dreams.
- ...all of my friends that joined the army will realize the mistake they made.
- ...Taunton High School students will find something fun to do on the weekends.
- ...K.M. and J.N. will still be fighting over stupid things.
- ...there will be a cure for AIDS.
- ...Mark Barros will finally have his license to practice medicine in the state of Massachusetts.
- ...people will be living in space.
- ...Chris will still be four-wheeling in his lime Kazuki.
- ...we will all be getting babysitters to watch our kids while we party down the Domes.
- ...I would imagine that there will be one bodacious party for the whole world to be invited.
- ...Colleen McDonough and Eileen Burgess may have an idea.
- ...T.H.S. will have lockers that work and cooked food.
- ...Mulligan and ED will be major stockholders in Roloids.
- ...Ron C. Aldas will still be a senior.

...Lauren Harwood will still be the worst driver in the world.
...aliens will land in California.
...we will have our 10th year reunion.
...I'll still be able to "...go on like a blister in the sun."
...there will be peace all around.
...there will be a totally different world.
...Melissa will still love Marc, but not be going out.
...I be still trying ta pass Mista Flynn's english clas.
...C.D. will still be trying to flip a cheeseburger.
...I will have forgotten about S.T.
...Shanya and I will be happily married and have a lot of kids.
...M.F. will still be after J.C.
...I'll still need a ride.
...I still won't have gotten any taller.
...M.S. still won't have a job.
...Tammie, Jess, Sharon, and Di-Ann will still be friends.
...I will still have my Jetta and no more accidents.
...Gooch will still come back on the first day of school.
... "will my Zepher still be alive?"
...J.C. will still be 4'11".
...I'll have a good photography career.
...I, J.M.T., will still be in the Navy and all my friends will still be in the Army.
...I will be 6'1" and 190 pounds.
... "The Lobster" will still be alive.
...there will no longer be a drug problem.

... Mary Studley will still be in high school taking gym.

... Toast will still be reminding Hoags about the bus!

... P.K. might get a job.

... Jon Mastin and Jason Hayes will probably look exactly alike.

... half the class of 1990 will have dropped out of college.

... Troy and I will still be together, possibly married, and I'll be successful in my goal.

... I'll be having "Tea in the Sahara".

... Regina Rivet will still have a loud mouth.

... Diana Rodrigues will still be complaining about everything.

... Angela Pelliter will still have her Datson Z10.

... Kerri Rec will still be unemployed.

... S.F. will finally move to Maine.

... Dad will still be an idiotic parent.

... Governor Evans will still be in his 28th consecutive term in office.

... Mom will still be a bitch.

... I will still be a loser.

... I will still be a loser.

... I will still be a loser.

... I will still be a loser.

... I will still be a loser.

WITH OUR THANKS...

As the Class of 1990 prepares to venture forth from Taunton High School, memories of the past four years are brought to mind. Many of the moments we have shared would not have been possible without the support of others. Such individuals who must be recognized for their numerous contributions to this class are our advisors, Mr. DeSousa, Mrs. Nunes, (and not to be forgotten, Mr. Scichlone).

Mr. DeSousa and Mrs. Nunes have donated their caring, advice, and patience as well as their time to the members of this class. They both stood by us through such endeavors as fundraisers and the junior prom. Every obstacle and achievement has been met with Mr. DeSousa's smile and familiar "Hi, Kids!" and Mrs. Nunes' positive and determined "we can do it" attitude. They helped us prove, not only to ourselves, but to others also that together, we really could accomplish it.

In recognition of such noteworthy dedication, the members of the Class of 1990 would like to extend our most sincere thanks and appreciation to Mr. DeSousa and Mrs. Nunes. They are truly *signs of some of the best times* that we have spent in Taunton High School.

HEADLINES OF THE TIMES

Iran-Contra Scam

In 1986, the Iran arms-Contra scandal emerged. It seemed that funds had been diverted in order to supply arms to Iran in exchange for the release of hostages. The FBI also looked into the possibility of money intended for the Contras instead being invested into Republican campaign accounts. President Reagan denied having any knowledge of this affair. Attorney General Edwin Meese investigated the Contra affair and determined that only Col. Oliver North and John Poindexter knew of the whole operation. Both men were subsequently forced to leave the National Security Council.

Mikhail Gorbachev became the President of the Soviet Union and an era of "Glasnost" began.

AIDS

When AIDS was first reported, many viewed it as a disease of homosexuals and poor minority groups. Now, through education and increasing awareness, the wild sexual revolution of the 1960's and 1970's is no longer in fashion. Heterosexuals are now beginning to realize that no one is immune to this disease. Thirty-thousand people were diagnosed with AIDS in 1987. Another million more were estimated as being carriers of the virus — 90% not knowing that they are infected.

Lawmakers and researchers are trying to get money to help find a cure or vaccines. Presently, the guarantee of not contracting this sexually transmitted disease is abstinence from sex and the sharing of dirty needles. While the use of condoms will lower the risk of infection, it is not a guarantee of safety.

Iran vs. Rushdie
After the publication of Salman Rushdie's book *The Satanic Verses*, the Ayatollah Khomeini ordered the death of the author. The book presents the legends of the Prophet Muhammad in an outrageous manner. However, it was taken as a direct threat to the Islam religion. After protests and rallies, that at times were violent or even deadly, the book was banned in many places including India, Pakistan, South Africa, Saudi Arabia and Egypt. Even after Khomeini's death, his successor continued to call for Rushdie's death.

Destroying the Rain Forest

The Amazon rain forest has been attacked for nearly 400 years. In the past few years this problem has drawn the attention of the world. An estimated 12,350 sq. miles of the Brazilian rain forest have already been destroyed. If this trend continues, the rain forest will be completely destroyed and with it more than one million species of life. Also, the burning of the Amazon would drastically change the weather pattern and increase global warming from the greenhouse effect. As this land is used for farming and ranching, the soil is quickly stripped. All these things have the potential of becoming a natural disaster.

Famine Strikes

A second famine struck Ethiopia in 1987. This famine affecting even more than the ones in 1984 and 1985, left some one million dead. Another drought and as many as twenty-three rebel groups vying for power caused this problem to escalate. While relief efforts sent food, the government closed the roads because rebels had repeatedly destroyed food convoys. The aid continued by land, air, and sea and some 555,000 tons of food were delivered to the areas that were hardest hit.

George Bush defeated Michael Dukakis in the Presidential election of 1988.

Revolution in Romania

In several European countries, change came bloodlessly. In Romania, this unfortunately was not the case. After ordering the army to fire upon protestors, Nicolae Ceausescu and his wife, Elena, flew on an official state visit. One week later, both were under arrest and tried for genocide of 60,000 victims and gross abuse of power of the state. On Christmas Day 1989, Ceausescu and his wife were assassinated by a firing squad. Presently, there is no clear-cut party in power.

Capturing Noriega

The U.S. Army invaded Panama in an effort to oust drug lord and dictator Noriega on Christmas Eve 1989. While he fled to the Vatican Embassy seeking asylum, troops fought in the streets. The Panama Defense Forces stopped fighting shortly after their leader Noriega fled to the Vatican Embassy. Shortly after, the Vatican gave up Noriega to the U.S. officials and Noriega was extradited. He faces criminal charges stemming from his alleged drug trafficking involvement.

Massacre in Beijing

For seven weeks, nearly one million students and pro-democracy Chinese citizens publicly protested in Tiananmen Square. For almost two months, this sit-in continued without violence. Then, on June 4, 1989, troops of the People's Liberation Army leveled their AK-47 assault rifles and opened fire. When it was over, an estimated 5,000 died and an indefinite number of people were wounded.

The student rally had been organized to call for the oust of Deng Xiaoping. The protestors demanded democratic reforms and the right to have a greater say in what would affect them in the future.

Release of Mandela

On February 2, 1990, the South African President F. W. deKlerk announced that the government planned to release the jailed leader of the African National Congress, Nelson Mandela. On February 11, 1990, this promise was fulfilled. Mandela had been imprisoned for twenty-seven years for sedition against the apartheid policy instituted by the National Party in South Africa. His release signals the coming of change in the government. It is still undecided whether or not the now legal ANC will play a major role in the government. However, deKlerk has started to make reforms and concessions.

Accidents Will Happen

The largest oil spill off the coast of Alaska occurred when the Exxon tanker Valdez ran aground. In the Soviet Union, a nuclear melt down occurred at Chernobyl.

"Give Peace a Chance"

Berlin saw a peaceful end to the separation between East and West as "The Wall" was torn down.

What?

The Three Amigos!

Heeyyyy!

NEXT: Mt. Everest

Pledge works so much better than Endust...

Angel Eyes?

Everybody say cheese!

Cool dude in a loose mood.

Take the picture already!

Hi Mom!

You are my sunshine.

Ya, these girls want me!

FOOTBALL

The 1989 campaign was one that was riddled with injuries for the Tiger football team. With injuries to many key players, most notably senior wide-out Chris Perrone, the Tigers struggled the entire season. They finished the season at 4-5-1, a good mark considering the plague of injuries. The high point on the season was their 14-6 victory over rival Coyle-Cassidy.

In addition to Perrone, the Tigers also lost starting quarterback Eric DeMoura for the season. Senior Keith Reilly came in and did a fine job leading the THS offense. Keith Marshall and Armando Walker were a force in the Tiger backfield. Matt Friary and John DiSanto led the receiving corps. Matt Kroll, Jeff Bartel, and Jim Reilly were the team's defensive stalwarts. Brian Rasmussen was named to the OCL All-Star team and Chris Perrone received honorable mention.

The Taunton High field hockey team grabbed another winning season in 1989, posting an 8-6-2 mark. The Lady Tigers, although a young team, showed tremendous experience throughout the entire year. They were led by junior Tricia Boehner, the team's leading scorer with eleven goals, and fellow junior Missy Bradshaw. Both Boehner and Bradshaw, named OCL All-Stars, will return next season to provide a solid nucleus. With the majority of the team returning, the Lady Tigers show great promise for next season.

The Tiger soccer team had a difficult season, managing only a 4-7-3 record. They had a good starting team and a strong supporting cast, but could not put it all together. The team's shortcomings were not a result of a lack of effort, but rather a case of missed opportunities. The highlight of the season was the brother duo of Ricardo and Tony Freitas, who were the team's leading scorers with 15 and 6 goals respectively.

GOLF

The Tiger golfers, coached by Paul Levesque, entered the 1989 campaign with hopes for another strong season. The team, led by senior captain Chris Gray and juniors Mark Furtado and Tim Donovan, was filled with talent, but short on luck. Despite their lack of luck the Taunton golfers were still able to produce a 5-5-1 record. With just a few more bounces and breaks the Tigers would have been atop the Old Colony League standings. Although they had an average season, the team still sent four players to the OCL All-League Match. They were Chris Gray, Mark Furtado, Tim Donovan and Shawn Randazzo.

The 1989 THS boys' cross-country team did not have one of their most successful seasons, but they were still able to win the City Meet over Coyle-Cassidy and Bristol Plymouth. The Tiger team had a record of 4-5 in the OCL and 5-5 overall. The THS runners were led by senior captain James Gonsalves who placed first in the City Meet and eighth in the OCL Meet. Jon Mastin and Mark Sanford, both senior co-captains, also provided strong leadership for the Tiger cross-country team.

2nd (L-R) P.McKenna (coach), C.Raymond, M.Bousquet, S.LePage, S.Galligan, S.Shafer, A.Correia

The 1989 Taunton High School girls' cross country team was the best team in the history of the sport at Taunton High School. They had their highest finish ever in the Old Colony League, finishing in second place with a record of 6 wins and 1 loss. They had a 9 and 1 record overall. Julie Moreau and Bridgette Coelho were the best performers on the team. Both Julie and Bridgette were named to the O.C.L. All Star Team for the second year in a row. Erica Bell, Latshanya Woodberry, and Suzanne LePage received honorable mention. Julie Moreau also qualified for the state championship meet. She is only the second girl from Taunton High to do so.

The Taunton High girls' swimming team did not win a match all season, but did show great promise for the future. The team will be losing only one senior, Krista Ross, and will have a young, but experienced team next year. Jen Sawyer qualified for the sectional meet and finished eleventh overall in the diving competition. The team is full of young talent with a strong freshmen crop, including Kendra Ashcroft, Jen Lewry, Danielle Moreau, and Joy Morin.

CHEERLEADERS

1st (L-R) Kristen Perry, Erica Pimenta, Danielle Colleran, Carolyn Patenaude, Kelsey Koehler.
2nd (L-R) Nicole Benevides, Allison Ashworth, Anielia Nickerson, Sharon Rodrigues, Melissa Correia, Jill Zeiba, Tammi Sullivan, Tammie Tokarz.

The Tiger cheerleaders had a very successful season in their 1989 competitions. In the NCA summer camp they finished in third place overall, and Sharon Rodrigues received an All-American Cheerleader award. They also finished first in a competition hosted by Bristol-Plymouth Regional High School, fourth in the state invitational, and seventh in the regional competition. The Taunton High squad was led throughout the year by its captains, Melissa Correia and Sharon Rodrigues.

The Tiger basketball team clawed their way to a first place tie in the O.C.L. standings in their 1989-1990 campaign. They mounted a 10-4 O.C.L. record and an overall record of 13-7. With their adaptable, fluid offense and their stingy, glue-like defense the Tiger team qualified for the state tournament. Unfortunately, they were knocked off in the first round by Boston Tech. The back court combination of Keith Marshall and Sean Geer was, by far, the most outstanding duo in the O.C.L. Next year's Taunton High team hopes to make a return to the state tournament, as they will be led by three returning starters - Kasey Roberts, Matt Friary, and Geer. In addition to a fine season for the team, Geer finished second in the O.C.L. in scoring.

2nd (L-R) Liz Nogueira, Andrea Isidorio, Tara Downey, Christy Warish, Brenda Rose, Mike DaSilva (coach)

The Lady Tigers' basketball team may have won only one game in their 1989-1990 season, but they did provide a great deal of hope for next year. The team did not have a senior member and will be returning their entire team. They were led offensively by junior forward Tara Downey, who averaged 8 points per game. The team's morale remained high all season as they looked forward to a bright future. The team put forth a strong effort led by junior tri-captains Beth Arruda, Tricia Boehner, and Sara Galligan.

1st (L-R) Brian Flaherty, Matt DePonte, Jeff Shearstone, Gabe Dumont, Kevin Farrar, David Allen (coach)
Absent from photo: Josh Thompson.

The boys' swim team, severely hampered by a lack of swimmers, was unable to win in 11 meets. Even when the team swam well, it was not possible for them to produce enough points to pull out a victory, again due to a lack of man-power. Jeff Shearstone, as captain, provided strong leadership for this young and small Tiger squad. Jeff qualified for the breaststroke in the sectional meet. Another highpoint on the season was the sixth place finish by the 200 meter freestyle relay team of Kevin Farrar, Gabe Dumont, Josh Thompson, and Shearstone in the New Bedford Relay Carnival.

The Tiger winter track team, led by senior captains James Gonsalves, Mark Areias, and Chris Perrone, coasted to a second place finish in the O.C.L. They posted a 4-1 record in the O.C.L. and a 7-1 overall record. In just about any other year their record would have placed the tiger runners in first place, but they fell just short in a tough and grinding season. Areias, Perrone, Gonsalves, and Chris Jusseaume combined to form the 4 X 400 relay team that received both All-League and O.C.L. All-Star honors. Jon Mastin, Perrone, and Gonsalves were named to the O.C.L. All-Star team for their individual performances.

For the first time in Taunton High history, the girls' winter track team went undefeated with a record of 5-0. This record placed the Lady Tigers in first place in the O.C.L. They destroyed the opposition and won the O.C.L. meet. The 4 X 800 yard relay team of Julie Moreau, Wendy Sroczynski, Carol Mulcahey, and Bridgette Coelho broke the T.H.S. record at the State Relays. Heather Bullard, Erica Bell, Christina Raymond, and Christie Wilbur set a new school record for the spring medley relay. Bullard, Bell, Coelho, Moreau, and Sarah Medeiros were selected as O.C.L. First-Team All-Stars and qualified for the state Class A Championships. Sroczynski was selected as an O.C.L. Second-Team All-Star, as was Mulcahey who also qualified for the State Championship.

While adjusting to their new independent status, the Tiger hockey team skated their way to an 8-12-3 record. The team, with a large senior cast, was led by the superior netminding of senior Sean Sullivan. Offensively, senior Mike Fagan was the leading scorer with 21 points. The defense was led by seniors Brian Rasmussen (captain) and Steve Guay. Even in a year with a losing record, this Tiger team did show flashes of brilliance as they jumped out of the gate quickly and slowed toward the middle of the season. They did have a strong freshmen crop as Rick Nadeau, Nelson DaRosa, and Robert Mims are expected to shine in the future.

1st (L-R) Carolyn Patenaude, Sue Teixeira, Andrea Correia
2nd (L-R) Joy Cox (coach), Lisa Hyson, Sarah DeLang, Diana Clark, Danielle Arabian, Andrea Kelleher (coach)

In what was a rebuilding year, the Taunton High gymnastics team was not able to manage a win in 15 meets. The team, keeping their heads held high, received the Old Colony League's sportsmanship award. They were the victim of too few gymnasts which made it virtually impossible for them to win. This Taunton High team was led by freshmen Carolyn Patenaude and Andrea Correia. With this young team, there is a great hope for future success.

GIRLS' TENNIS

1st (L-R) Sandy Fortin, Pam LePore, Holli Sands, Jenn Carr
2nd (L-R) Kasia Zagorski, Jeannie Lovell, Renee Courtemanche, Chelle Langhurst, Sherri Hedlund, Amy Letourneau, Jim Maroon (coach)

The Taunton High School girls' tennis team showed a strong effort. Pam LePore in first singles proved to be a very strong opponent on the court. Sandy Fortin, team MVP, won the most matches of the season playing a very competitive second singles. Holli Sands, although a newcomer on the Tiger team, held her own on the court. Chelle Langhurst and Jenn Carr showed a strong effort in the first doubles.

Once again, the Taunton High Tigers' baseball team had a successful season in 1989. It marked the second time in two years that the Tigers reached the state tournament. This was the first time that a Tiger baseball team reached state tournament play in successive years. They accumulated an overall record of 11-7 and were 9-5 in OCL league play. Their record put the Tigers in second place overall in the OCL. They were knocked off in the first round of the tournament by Whitman-Hanson, who went on to become state finalists. The Tigers produced the most all-stars from any one team in the OCL. They were Andy Araujo, Mike Fagan, Tom Fresoni, Wayne Schilling, Dave Emond, and Jim Wile. The 1990 Tiger team is expected to be led by seniors Mike Fagan, Chris Gray, and Dave Emond.

SOFTBALL

1st (L-R) B. Arruda, A. Vadala, J. Gallagher, J. Mendoza, T. Downey
2nd (L-R) J. Tripp (coach), K. Hodgson, M. Bradshaw, D. Bianchi, L. Lema, T. Brennan, L. Brancs

The 1989 campaign was a very successful one for THS softball. The team went 14-0 in OCL action and finished the regular season at 17-3. These numbers enabled the Lady Tigers to enter the state tournament, where they won their first game over Brockton (4-3), but fell in the second round to New Bedford. Judy Gallagher was named the OCL Player of the Year and Coach Jack Tripp was named OCL Coach of the Year. Gallagher, Lynn Lema, Kris Hodgson, Donna Bianchi, Tracy Brennan, Beth Arruda, and Tara Downey were named to the West Division All-Star Team.

The 1989 boys' spring track team posted a strong 8-0 record and took first place in the OCL meet and second place in the South Shore Championship Meet. Many school records fell to members of the '89 team. David Borges broke the THS record for the 330 hurdles and Dave LeMasa broke the freshmen record for the triple jump. The team of Borges, Troy Enos, Chris Perrone, and Brad Lopes set a new record for the high hurdles relay, while Perrone, Borges, and John Monteiro combined to set a new school record for the long jump relay. Perrone, Monteiro, Borges, Martin Dias and James Gonsalves were chosen to the OCL All-Star Team.

The girls' spring track team, coached by Dennis Cunningham and Jo-Ann Laughlin, had a blockbuster season. The 1989 team had a large number of members running for the first time. The team was led by Heather Bullard in the high jump and hurdles. Julie Moreau finished almost every race at the top, including a first place finish in the Falmouth Invitational. Some of the team's new talents, including Erica Bell, showed great promise for the future.

BOYS' TENNIS

1st (L-R) Dan Botelho, Mike McGlynn, Sean McDonough, Jason Porter
2nd (L-R) Tony Baptista, Anthony Almeida, Mike Lavoie, Brendan Mullen, Rodney Reis, Brian Flaherty

The THS boys' tennis team had a very disappointing year, winning only one match the entire season. Mike McGlynn and Mike Lavoie were the only players returning from the previous year. Many of the team members were playing for their first time and were hindered by their inexperience. The one bright spot of the year was the play of Mike Lavoie. Mike was named to the Taunton Daily Gazette's All-Scholastic Team.

Going to McDonald's® is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats.

You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we say...

**IT'S A GOOD TIME
FOR THE GREAT TASTE**

The 1990 Journal Staff would like to extend its most sincere appreciation to the following:

Iris Arruda and Kenneth Almeida . . . your "chemistry" with a camera hit a "high note."

Mr. Elvio DeSousa and Mr. Peter Koch . . . Sports Illustrated called. Don't quit your day jobs, just yet.

Hector Diaz . . . thanks for coming through in our photo emergency, but did you check your camera after you let Mr. DeSousa use it?

Mr. Gus DiRubio . . . thanks, you've been a real "sport."

Ethel Fraga . . . one good "copy" deserves another.

Jeanne Gibbons . . . your pictures saved us a thousand words.

Tony Gonsalves . . . thanks for leaving those lights on. It sure made the restrooms easier to use.

Del Jordan . . . you deserve a "ribbon" in more ways than one for letting us use your printer.

Tess Kelly . . . you are at the top of our "list".

Joseph Martin . . . for "monitoring" our computer progress.

Patrick McKenna . . . thanks for the "memories".

Cathy Moran . . . for sharing with us your treasured memories.

Pat Morin . . . for making people take "notice" of the Journal.

Conrad Schmidt . . . "Yearbook is not an exact science." (especially when produced by the 1990 staff)

Prudy Smith . . . we extend our gratitude for matching names with faces.

Grace Trow . . . we have a place on the 1991 staff, if you're interested.

Gary Walters . . . for having an "inkling" about printing.

Mary Ann "Muffy" and Jim "Howard" Deveney . . . "I think I can pencil you guys in for sometime in the year 2000."

Marge and Dave Dexter . . . "Mom, if you let me have the car today, I'll pick you up on time."

Carole Serabian . . . "Mom, I'm not dead. I'm at a yearbook meeting."
